📍 Madrid, España

SUMMARY

Hi, my name is Jaime and I am always eager to learn and stay updated on the latest trends and technologies in the field of web development. I am passionate about solving complex problems and tackling technical challenges.

I have expertise in developing applications using front-end and back-end technologies JavaScript, React, NodeJS, Express, MongoDB... to create attractive and responsive user interfaces.

EXPERIENCE

Frontend Developer

Smartick

📅 08/2023 - Present 📍 Madrid

- As a FrontEnd developer at Smartick, I was responsible for creating and designing web pages using technologies such as JavaScript, jQuery, CSS, and LESS. Additionally, I implemented smooth animations and transitions using the GSAP library to enhance the user experience.
- I worked in an agile environment utilizing methodologies like Jira for efficient task allocation and management, enabling me to maintain high productivity levels and meet established deadlines.

EDUCATION

Web Full Stack Mern Development Bootcamp

Ironhack

📅 04/2023 - 07/2023

- Front end technologies learned: HTML | CSS | JavaScript(ES6) | React
- Back end technologies learned: ExpressJs | NodeJs | MongoDB | Axios

Scientific High School

IES Nueve Valles

📅 2016 - 2018

GPA

11.8 / 14

LANGUAGES

Spanish: Native

English: B1

STRENGTHS

Adaptability

The ability to quickly adjust to new situations, environments, or tasks. Being adaptable allows you to thrive in dynamic work settings and effectively handle changes or challenges.

Problem-solving skills

The capacity to analyze complex issues, identify solutions, and implement effective strategies to overcome obstacles. Strong problem-solving skills demonstrate your ability to think critically and creatively.

Effective communication

The skill to convey ideas clearly and concisely, whether verbally or in writing. Effective communication fosters collaboration, reduces misunderstandings, and ensures that information is conveyed accurately.

Teamwork

The ability to work collaboratively with others towards a common goal. Being a team player involves being supportive, respectful, and willing to contribute your skills and expertise to achieve shared objectives.
